

2015 Milestone Anniversaries

Please join Global SMT & Packaging in celebrating the milestone successes of some of the major manufacturers and suppliers in the electronics manufacturing industry.

manufacturing innovative, leading-edge and cost-effective automated vision inspection equipment and system-on-chip embedded electronics devices for the semiconductor and electronics packaging industries. ViTrox's core products are its Machine Vision Systems (MVS), Automated Board Inspection (ABI) and Electronics Communication Systems (ECS).

ViTrox serves customers from semiconductor outsourced assembly and test (OSAT) companies, printed circuit board manufacturers, electronics assemblies companies, original equipment manufacturers (OEMs), original design manufacturers (ODMs), electronics manufacturing services (EMS) providers and contract manufacturers (CMs) around the world.

ViTrox – 15 Years

CHU JENN WENG, CEO

Since its inception in 2000, ViTrox has been designing and
