Practice 5.5

Appointment of board and senior management are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender.

Directors appointed should be able to devote the required time to serve the board effectively. The board should consider the existing board positions held by a director, including on boards of non-listed companies. Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

Application	: Applied
Explanation on application of the practice	<p>The Board and the NC consider the current diversity in the skills, experience, age, race/ethnicity (cultural background) and nationality of the existing Board in seeking potential candidate(s). This helps to ensure an appropriate balance between the experience perspectives of the long-term directors and new perspectives that bring fresh insights to the Board. The NC will carry out an interview session with the proposed candidate before recommending to the Board for decision making.</p> <p>On 23 October 2025, the NC held an ad-hoc meeting to deliberate on the appointment of an additional ID, Dato' Seri Gooi Soon Chai.</p> <p>The proposed candidate was recommended by one of the ED, who has known the candidate for an extended period through their previous business relationship. After taking into consideration the required mix of skills, experience, and the current business environment of the Group, the Committee agreed to recommend Dato' Seri Gooi for the appointment.</p> <p>Following the recommendation of the NC, the Board approved the appointment on 1 December 2025.</p> <p>The Directors' Fit and Proper Policy serves to guide the NC and its Board in their review and assessment of candidates that are to be appointed onto the board as well as directors who are seeking for re-election in ViTrox Group.</p> <p>A set of quantitative and qualitative performance criteria has been established in the appraisal forms to evaluate the performance of each member of the Board, each Board Committee and reviewing the performance of the Board as a whole. The Board's effectiveness is assessed in the areas of composition, administration, accountability and responsibility, conduct and the performance of the Chairman and Group CEO. The criteria for assessment of each Director or Committee member shall include attendance record, intensity of participation at meetings, quality of interventions, special contributions to demonstrate a high level of professionalism and integrity in the decision-making process.</p>

A Board Matrix has used as reference for the Board's refreshment and succession planning to complement one another. Having conducted the mapping exercise, the NC observed that the gap areas remain relevant in the current Board composition.

As at 31 December 2025, the skillsets of the existing Board are as follows:-

Directors	Designation	Industry / Background Experience							
		Technology	Marketing	Industrial	Corporate / Planning	Accounting / Finance	Governance Risk and Compliance	Law / Legal	Educational & Counselling
Dato' Seri Dr. Kiew Kwong Sen	Chairman/ NID	√		√	√		√

Dato' Prof. Dr. See Ching Mey	ID			√			√		√
Emelia Binti Matrasah	ID	√			√	√	√	√	
Dato' Seri Gooi Soon Chai	ID	√		√	√		√		

The diversity in the race/ethnicity (cultural background), nationality, age and gender of the existing Board for FYE 2025 were as follows:-

	Race / Ethnicity			Nationality	
	Bumiputra	Chinese	Foreigner	Malaysian	Foreigner
Number of Directors	2	8	0	10	0

	Age Group (years)			Gender	
	50-59	60-69	≥ 70	Male	Female
Number of Directors	5	4	1	6	4

The Board is satisfied with the level of time commitment given by the Directors towards fulfilling their roles and responsibilities as Directors of the Company.

The attendance record of the Directors for the FYE 2025 was satisfactory. The number of Board meetings attended by the respective Directors are as follows:-

Director	No. of board meetings attended in FYE 2025
Dato' Seri Dr. Kiew Kwong Sen	5/5
Dato' Chu Jenn Weng	5/5
Siaw Kok Tong	5/5
Yeoh Shih Hoong	5/5
Datuk Ir. Dr. Ahmad Fadzil Bin Mohamad Hani	5/5
Chuah Poay Ngee	5/5
Mary Yeo Chew Yen	5/5
Dato' Prof. Dr. See Ching Mey	5/5
Emelia Binti Matrahah	5/5
Dato' Seri Gooi Soon Chai*	Not applicable

* Dato' Seri Gooi Soon Chai was appointed as an ID on 1 December 2025.

All Directors are required to declare their directorships. When a Director has multiple directorships, the NC will consider whether the Director is able to adequately carry out his duties as a Director of the Company, after taking into consideration the number of directorships and other principle commitments. Although some of the Directors have multiple directorships, the NC is satisfied that the Directors are still able to devote sufficient time and attention to the matters of the Company in discharging their obligations and duties towards the Company.

Save for restriction of Paragraph 15.06 of the MMLR where a Director of the listed issuer shall not hold more than 5 directorships in listed issuers, the Board has not set the maximum number of directorships a Director may hold because each Director would be able to manage and assess his own capacity and ability to take on obligations or commitments when serving on the Board. In addition, the Board is of the view that setting a maximum number of directorships would not be meaningful as the contributions of the Directors would depend on many factors and their respective varied capabilities.

The appointment of key senior management was also made with due regard for diversity in skills, experience, age, cultural background and gender. There was no appointment of new key senior management in FYE 2025. Their detailed particulars are provided on pages 19 of the Annual Report 2025. They are all Malaysians with diversity in the following perspectives as set out in the table:-

Race / Ethnicity			Age Group (years)		Gender	
Bumiputra	Chinese	Foreign	50-59	60-70	Male	Female
-	2	-	2	-	2	-

The Audit Committee has a policy that requires a former partner of the external audit firm of the listed company to observe a cooling-off period of at least three years before being appointed as a member of the Audit Committee.

Application	:	Applied
Explanation on application of the practice	:	<p>The Company has always recognised the need to uphold independence.
