

## ViTrox Appoints Tera Tech Korea Co. as Sales Channel Partner in Korea

December 03 2014 – ViTrox Technologies, a solutions provider of innovative, advanced and cost-effective automated vision inspection systems and equipment for the semiconductor and electronics packaging industries, announces the appointment of Tera Tech Korea Co. as its sales channel partner in Korea.

Based in Seoul, Korea, Tera Tech Korea was founded in June 2011 by Mr. Mike Lim, President of Tera Tech Korea. The company's primary focus is on test handlers and vision scanners. Additionally, Tera Tech Korea has extensive experience in semiconductor assembly and test industries.

Tera Tech Korea is authorized to distribute ViTrox's Tray-to-Tray Vision Handler (TH Series) and Tray to Tape & Reel Vision Handler (TR Series) in Korea. Through the partnership with Tera Tech Korea, ViTrox expects to further expand its market presence in Korea and further establish its brand name, inspection solutions and technical support.

According to ViTrox's Senior Vice President Mr. Steven Siaw, "ViTrox is expected to engage Tera Tech Korea as our sales channel partner and we hope that through our partnership, ViTrox can strengthen its market presence in Korea and increase its market share."
